Regens Disposal has set your cart down in the preferred position to be emptied. This is where the cart should be placed on your **WEDNESDAY** collection day.

What if I can't move the cart?

The carts are virtually effortless to move and require minimal exertion. If you do have a concern about the weight or if you require assistance please contact us at 634-7209 to discuss the options available to you.

What about yard waste?

We will collect bagged gardening or lawn debris as well as any bundled tree branches placed **INSIDE** the cart.

Will there be enough room for my garbage?

The carts are able to contain most waste generated by the average household. Please contact us for more information on the options available to you.

Will my collection day change?

Your cart will be picked up every week on **WEDNESDAY**.
